Subject: COMMUNIQUE FROM W/O JACOBS

Kindly see below a communique from W/O Jacobs, Honeydew SAPS.

With reference to the recent alleged kidnapping and alleged attempted kidnapping that has appeared on the various social networking sites in the last few days, the Honeydew SAPS would like to inform the schools in the Honeydew Precinct area that **NO** criminal cases have been reported to the police station to date. No children have been reported missing or kidnapped as alleged in some of the postings. However an enquiry has been opened to investigate the aforementioned allegations.
